Programs

I am always eager to learn new programs. However, here are some of the software applications I feel most comfortable with:

- Designing:
 - AutoCAD
 - Revit
- Modeling & Rendering:
 - SketchUp+Lumion
 - 3Ds Max + V-ray
- Lighting Design: DIALux
- Editing: Photoshop
- Microsoft Office

Training courses

- Architectural Design on Revit
- Social Intelligence Skills
- Design Thinking
- Stress Management in the Workspace
