 Alexandria, Egypt  Egyptian Citizen

Odoo DEVELOPER Highly Experienced in API, POS and e-invoice for Egypt, Colombia, and Mexico, With a Bachelor's Degree in Computer Science and Statistics from the Faculty of Science at Alexandria University in Egypt, I bring a wealth of knowledge and experience to the table. As a freelancer, I have experience as a web developer using Laravel, as well as two years of experience as an Odoo developer working with versions 13, 14, 15, 16, and 17. I am passionate about problem-solving and have an attention to detail that allows me to identify errors and their causes quickly. My curiosity drives me to research solutions that will lead to success for the organization. I am looking for an opportunity that will allow me to further my experience and contribute to the success of the organization.

## PROFESSIONAL EXPERIENCE

Present August, 2022	<b>Odoo Developer, ROAYA Co., Alexandria</b>  <a href="http://WWW.RoayaDM.com">WWW.RoayaDM.com</a> Work on Odoo ERP System <ul style="list-style-type: none"><li>&gt; Develop a new module in Odoo 13,14,15 or customize it based on customer need.</li></ul> <span>Odoo 13 14 15 16 17</span> <span>Python</span> <span>Javascript</span> <span>PostgreSQL</span> <span>API</span>
